Personalized Job Training and Support Services to Transform Lives

A collaborative program from Goodwill NCW, FVTC and Rawhide

Career Educational Pathway Plumbing Fundamentals Certificate

Description

The Plumbing Fundamentals Certificate Pathway provides theoretical and hands-on applications that develop the basic skills and knowledge to help enter a pipe trades career in construction or manufacturing. Training will cover plumbing, pipefitting, sprinkler fitting, various piping systems, trade specific mathematics, measurement, layout, and construction safety.

Who Should be in this Program

Individuals who enjoy working in construction or manufacturing environments, working with their hands and troubleshooting.
