

Career EXCErate WISCONSIN

**Personalized Job Training and
Support Services to Transform Lives**

A collaborative program from Goodwill NCW,
FVTC and Rawhide

Career Exploration Overview Plumbing Fundamentals

Why a career in plumbing/pipe trades?

Contribute meaningful work to your community and explore the many opportunities available to you in this industry. You will explore plumbing, pipefitting, sprinkler fitting, various piping systems, trade specific mathematics, measurement, layout, and construction safety. If you like working in construction or manufacturing environments, working with your hands, and troubleshooting, a career working in pipe trades could be a good fit for you.

What is my earning potential?

The average annual salary in Wisconsin for those in the construction industry after 5 years is \$53,880* per year.

What are my possible career pathways?

Advance your skills with continuing your education and move up the pay scale. Motivated professionals can promote into leadership roles or become masters of their trade. Some opportunities for new challenges and career growth include:

- Plumber
- Pipefitter
- Steamfitter
- Project Manager
